## Investing in Cybersecurity

The program will cover trends in investment and financing for cybersecurity companies, as well as the evolving marketplace for this increasingly expanding industry.

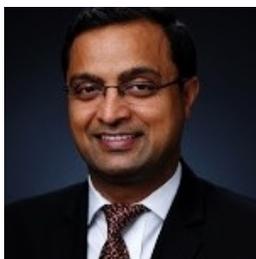

**Tuesday October 9, 2018, 6:00 to 8:30 p.m., at The Conference Center, 130 East 59<sup>th</sup> Street.**  
**RSVP required. Register [here](#):**

Discussion will focus on a variety of topics:

- Market outlook, both short-term and long-term, including risks in the industry,
- The funding, investment, and competitive landscape for cyber-security startups, both emerging and mature
- Forecasts for mergers and acquisitions,
- Managing the human element of cyber risks
- Cybersecurity developments particular to the financial services industry

**Tickets:** \$35 for Columbia Business School Alumni Club of NY members, \$45 for non-members

Panelists include:

**Arvin Bansal, Director, Cyber, Data and Risk Governance, AmerisourceBergen** (Fortune 12, \$156B revenue)

Arvin is a cybersecurity subject matter expert with proven ability to design, build, and implement global cybersecurity and risk programs for Fortune 30 firms, including Citigroup and Verizon. Arvin has received many honors with the most recent accolade from Information Week Elite 100 Award for building a leading edge cybersecurity program that is among the nation's most imaginative uses of business technology. Additionally, he received the 2018 Cloud Security Excellence

Award for innovation in implementation of security. He is actively engaged in the industry events including BlackHat, RSA, DefCon, Gartner Security & Risk Management Summits, Evanta CISO events, T.E.N. awards, and has presented in various security, technology and business forums. Arvin received his MBA in finance from Columbia Business School and a bachelor's degree in Engineering. He holds multiple risk and security certifications including CISSP, CISM, CISA, ITIL v3, OSA, RCV and PMI PMP.

**Jason Bevis, Vice President, Worldwide Strategic Services at Cylance Inc.**

Jason is an executive with extensive experience in cybersecurity consulting, product management and product engineering. Jason has both advised and held CISO and CTO rolls during his 20+ year career. He has extensive experience in global strategic solutions enabling customers across all industries. He has been deeply involved in incident response, security program management, risk quantification and helping organizations build comprehensive security operations and management practices.

He is currently responsible for Cylance’s strategic consulting solutions and Threatzero prevention solutions.

**Jason Kaufman, President of The Chertoff Group**

The Chertoff Group is a premier global advisory firm that focuses exclusively on the security and risk management sector by providing business strategy, risk management, and mergers and acquisitions (M&A) advisory services to clients seeking to secure and grow their enterprises. With an accomplished career focused on advising professional services and technology firms in the national

security, defense and information security markets, Mr. Kaufman oversees the Firm’s activities to ensure clients benefit from the full breadth of the Firm’s capabilities. During his career, Mr. Kaufman has advised on over 50 merger, acquisition, private placement, and corporate divestiture transactions worth over \$3.0 billion in deal value. Recent examples include the acquisition of Six3 Systems by CACI International, the sale of Signal Innovations Group to BAE Systems, and the acquisition of QinetiQ North America by Vencore. Mr. Kaufman received a MBA from the Darden School of Business at the University of Virginia.

**Ori Lapidot, CEO, Emergynt Network Defense**

Ori Lapidot is a visionary with entrepreneurial energy, excellent business acumen and ingenious creativity. Mr. Lapidot is adroit at tailoring practical, turn-key business solutions that drive exponential revenue while simultaneously minimizing ongoing operational costs. Ori initiated his entrepreneurial career in the warranty space by establishing a warranty company in Latin America. He has spent over two decades in the insurance industry and served on the Board of Directors of several companies. He was also Global Managing Director at Assurant Solutions, with responsibility for their global market expansion. Throughout his career, he has established thriving insurance entities in sixteen countries on 4 continents.
