

## A NOTE TO OUR CLIENTS

---

We hope you are all safe and managing through this difficult time. As we watch the novel coronavirus affect our city, our country and the rest of the world in unprecedented ways, protecting our community is a top priority.

While as a firm we have implemented appropriate measures to keep our attorneys and staff safe during this public health crisis, we are still readily available and plan to remain so in the days and weeks ahead until this crisis is over.

If you have any questions, need an update, or require any legal or other assistance, our lines of communication with your normal contacts at the firm and the firm in general are and will remain open as usual.

Battling the novel coronavirus is taxing on us all. We are here if you need us.

With best wishes for your health and safety,

Frederick R. Cummings, Jr.  
Managing Partner
